PROJECTS & FREELANCE WORK

POLITIQ

October 2018-Present

- Users play trivia games and compete to prove which political party has the highest 'PolitIQ', based on how well they read the news of the day
- Built from scratch in React & Firebase, integrated with Mailchimp & Zapier, Pushwoosh

URBAN ARRAY | LEAD FRONT END DEVELOPER & PROJECT MANAGER

July 2018 - Present

- Manage a distributed, agile team of open-source developers to create a user interface for Urban Array, a blockchain-powered nonprofit & social enterprise as it goes into its third round of fundraising
- Contribute to a React frontend and Node / Express backend

RECOMMENDME

November 2018 - December, 2018

- Front end updates to a React, Sass, Ruby on Rails application based on wireframes to enhance the user's experience as they search for and recommend their favorite Chicago restaurants

WORK EXPERIENCE

TEACHING ASSISTANT | TRILOGY EDUCATION

- Guide students through a six-month, part-time, online course to prepare them for a career as a full stack developer.

Trilogy Online

April 2019 - Present

- Provide live support and technical assistance for more than 1000 students at 12+ universities across the country as they work through an asynchronous full stack curriculum (Ruby on Rails, PostgreSQL, JS, jQuery, & React)

University of Pennsylvania

Sept. 2018 - March 2019

- Taught a full stack Javascript curriculum (HTML, CSS, JS, jQuery, Node, Express, MongoDB, MySQL, & React) in a live online classroom setting

STAFF ASSISTANT | FINANCIAL INTEGRITY NETWORK

Mar. 2017 - Mar. 2018

- Coordinated international travel logistics and expenses for 15 FIN team members on a \$250,000 per year travel budget
- Compiled briefings to support media interviews and congressional testimony
- Implemented and served as a system administrator for the firm's online learning management system to provide training and certification to clients
- Designed the firm's email marketing strategy to over 1,000 contacts

RESEARCH INTERN | CENTER FOR STRATEGIC AND INTERNATIONAL STUDIES

Sept. 2016 - Mar. 2017

- Published daily email briefings on asymmetric conflict and terrorist activity worldwide to an audience of 200+ external readers
- Monitored the political and security situation in Libya for an upcoming report on the intersection of transnational smuggling networks and extremist organizations
