Mathematics

### PROJECTS & FREELANCE WORK

#### PolitiQ - React, Firebase

- Users play trivia games and compete to prove which political party has the highest 'PolitiQ', based on how well they read the news of the day

#### RecommendMe - React, Sass, Ruby on Rails

- Front end updates based on wireframes to enhance the user's experience as they search for and recommend their favorite Chicago restaurants

#### ABC Training - React, Redux, Ruby, Rails, PostgreSQL

- *General Assembly Final Project* - Company website with built-in document sharing platform for training companies to efficiently share materials with clients

### WORK EXPERIENCE

#### LEAD FRONT END DEVELOPER & PROJECT MANAGER | URBAN ARRAY

July 2018 - Present

- Managing a distributed, agile team of open-source developers to create a user interface for Urban Array, a blockchain-powered nonprofit as it goes into its second round of fundraising

#### TEACHING ASSISTANT | UNIVERSITY OF PENNSYLVANIA

Sept. 2018 - Mar. 2019

- Guided students through a six-month, part-time, online course to prepare them for a career as a full stack developer.
- Taught a full stack Javascript curriculum (HTML, CSS, JS, jQuery, Node, Express, MongoDB, MySQL, & React)

#### STAFF ASSISTANT | FINANCIAL INTEGRITY NETWORK

Mar. 2017 - Mar. 2018

- Coordinated international travel logistics and expenses for 15 FIN team members on a \$250,000 per year travel budget
- Compiled briefings to support media interviews and congressional testimony
- Implemented and served as a system administrator for the firm's online learning management system to provide training and certification to clients
- Designed the firm's email marketing strategy to over 1,000 contacts

#### RESEARCH INTERN | CENTER FOR STRATEGIC AND INTERNATIONAL

##### STUDIES

Sept. 2016 - Mar. 2017

- Published daily email briefings on asymmetric conflict and terrorist activity worldwide to an audience of 200+ external readers
- Monitored the political and security situation in Libya for an upcoming report on the intersection of transnational smuggling networks and violent extremist organizations

#### RESEARCH INTERN | INSTITUTE FOR THE STUDY OF WAR

Spring 2016

- Drafted daily news briefings, weekly intelligence summaries, and long-form blog posts on rapidly developing events for military and foreign policy professionals on insights from Arabic language media
